**A MESSAGE TO OUR ARTONDALE CEMETERY MEMBERSHIP:**

In 2020 we had to suddenly cancel our annual meeting and our annual cemetery cleanup due to COVID-19 precautions.

The Artondale Cemetery work and improvements continued. We repaired the chain link fence sections previously damaged by tree falls. Systematic pruning, moss out, and cleanup was partnered with our contracted landscaping company.

The Artondale Cemetery Association officers were reelected in 2020 by proxy by the membership email.

The Officers are still managing our available Plots and Columbaria Niches.

We appreciate your continued financial support.
